LOVE

We can learn a lot from the Bible about love - types of love, what we should love and what we should not love. There are more than 300 occurrences of the word "love" in the Bible. We are going to look at 20 of them. When you look up the verses for your answer, if it talks about something we should not love, write the answer in **blue**. If it talks about something we should love, write the answer in **pink**. If it describes a type of love, write the answer in **purple**.

Across
1) Leviticus 19:18
2) I John 4:18
