

## Teaching and Learning Puzzle

The Bible has a lot to say about teaching and learning. The Bible is the best place to learn what you need to live right before God. Match the verse listed below to what the Bible says to “teach” or “learn” from that verse.

- |                                  |                      |
|----------------------------------|----------------------|
